

#### A Basic Communications Exercise

- Ask for a volunteer (let's call her the guide)
- Give her this diagram\* and ask her to describe to the rest of the group how to "draw" it. (let's call them the artists)
- Two rules:  
The artists may not look at the original diagram.  
The guide may not look at the artists' progress in recreating it.

\* Feel free to substitute your own diagram
